

GLOSSARY OF ABBREVIATIONS AND ACRONYMS

AG	Associated Gas – gas produced as by-product of oil production
AIDS	Acquired Immune Deficiency Syndrome
ALARP	As Low As Reasonably Practicable
AOC	Accidentally Oil-Contaminated (drain system on the LNG site)
BCC	Bonny Chiefs Council
BCGT	Bacille Calmette Geurin – a vaccine that protects against TB (tuberculosis)
BCOT	Bonny Crude Oil Terminal
BECC	Bonny Environmental Consultants Committee (a local NGO)
BEEF	Bonny Educational Endowment Fund
BGL	Bonny Graduate League (a local NGO)
BIA	Bonny Improvement Association (a local NGO)
BIWA	Bonny Institute of Women’s Association (a local NGO)
BKDC	Bonny Kingdom Development Committee (a local NGO)
BLG	Bonny Gentlemen’s League (a local NGO)
BOD	Biological Oxygen Demand – a measure of the oxygen used by microorganisms to decompose this waste
BOD	Basis-of-Design (specific phase in project development)
BR	Baseline Report
BUC	Bonny Utilities Company
BWPM	Bonny Women Patriotic Movement (a local NGO)
BYF	Bonny Youth Federation (a local NGO)
CBD	Convention on Biological Diversity
COC	Continuously Oil-Contaminated (drain system on the LNG site)
COD	Chemical Oxygen Demand
CSW	Commercial Sex Workers
DEP	Design and Engineering Practice (a specific practical standard used in Shell)
DLN	Dry Low-Nox (burners in gas turbines)
DPR	Department of Petroleum Resources
EA	Environmental Assessment
EAU	Environmental Advisory Unit (former contractor in UK involved in NLNG EIA work)
ECA	Export Credit Agency
EER	Environmental Evaluation Report
EIA	Environmental Impact Assessment
EMP	Environmental Management Plan
ENL	Elf Nigeria Limited
EOF	Entirely Oil-Free (drain system on the LNG site)
EPC	Engineering, Procurement and Construction (specific phase in project development)
ESHA	Environmental, Social and Health (impact) Assessment
ESHMP	Environmental, Social and Health Management Plan
EU	European Union
FDC	Finima Development Committee
FEPA	(Nigerian) Federal Environmental Protection Agency (now FMEnv)
FID	Final Investment Decision
FDC	Finima Development Committee
FFWPC	Finima Forest & Wetlands Protection Committee (a local NGO)
FIWA	Finima Women Association (a local NGO)
FMEnv	(Nigerian) Federal Ministry of Environment (former FEPA)
GGFR	Global Gas Flaring Reduction partnership
GIS	Geographic Information System
GP	Good Practice (World Bank document/terminology)
GSM	Global System Mobile (telephone system)
GTS	Gas Transmission System
HAZID	HAZard IDentification
HAZOP	HAZard and OPerability study
HEMP	Hazards and Effects Management Process (heart of the HSE-MS)
HIV	Human Immunodeficiency Virus (causes Aids)

HFE	Human Factors Engineering
HSE	Health, Safety and Environment
HSE-MS	Health, Safety and Environmental Management System
IA	Impact Assessment
IAM	Impact Assessment Matrix
IFC	International Finance Corporation
IPF	Instrumented Protective Function
ISO	International Organisation for Standardisation
IUCN	International Union for Conservation of Nature
JIC	Joint Industry Committee (working relationship between NLNG, Mobil and SPDC)
LGA	Local Government Area
LNG	Liquefied Natural Gas
LNGC	Liquefied Natural gas Carrier (LNG tanker)
LPG	Liquefied Petroleum Gas
MARPOL	MARine POLution (the International Convention for the Prevention of Pollution from Ships)
MOF	Materials Offloading Facility (NLNG jetty used during construction)
MOU	Memorandum Of Understanding (agreement between Bonny Kingdom and JIC)
NAG	Non (oil-)Associated Gas
NCPS	NLNG's Nigerian Content Plan for train Six
NDWC	Niger Delta Wetland Centre (an NGO)
NGO	Non-Governmental Organisation
NID	National Immunisation Day
NLNG	Nigeria Liquefied Natural Gas Limited
NNPC	Nigerian National Petroleum Company
NOAC	Nigerian Agip Oil Company
NYSC	National Youth Service Corps
OD	Operational Directive (World Bank document/terminology)
OGGS	Offshore Gas Gathering System (offshore gas pipeline to Bonny Island)
OP	Operational Procedure (World Bank document/terminology)
PPAH	Pollution Prevention and Abatement Handbook (a World Bank document)
PS	Project Specification (specific phase in project development)
QRA	Quantitative Risk Assessment
RA	Residential Area (housing area for NLNG's operations staff)
RAM	Risk Assessment Matrix
RFSU	Ready For Start-Up (specific phase in project development)
RSME _{nv}	Rivers State Ministry of Environment
SD	Sustainable Development
SGSI	Shell Global Solutions International B.V.
SIG	Special Interest Group
SDCC	Sustainable Development Coordination Committee (within NLNG)
SPDC	Shell Petroleum Development Company
SOW	Scope-Of-Work
STD	Sexually Transmitted Diseases
TA	Technical Advisor (Shell Global Solutions Int. is TA to NLNG for project development)
TAP	The Adolescent Programme (an NGO)
TCN	Third Country National (workers on the NLNG site)
THC	Total Hydrocarbon Content (contamination status of the environment regarding oil)
UNCLOS	United Nations Convention on the Law of the Sea
UNICEF	United Nations International Children's Emergency Fund
WHO	World Health Organisation
