## to participate in a Public Workshop on Nigerian Content for Nigeria LNG Limited Train 7 Development

### INTRODUCTION AND OBJECTIVE

Nigeria LNG Limited (NLNG) produces Liquefied Natural Gas ("LNG") and associated products from a six (6) train facility located on Bonny Island in Rivers State. As part of its growth plans, NLNG and its Shareholders intend to build a seventh natural gas liquefaction train ("NLNG Train 7") at its plant complex on Bonny Island.

In order to maximise the utilization of Nigerian manufactured, fabricated and assembled equipment, materials and services, NLNG and its Shareholders, in conjunction with the Nigerian Content Development and Monitoring Board ("NCDMB"), and in accordance with the provisions of the Nigerian Oil and Gas Industry Content Development ("NOGICD") Act, 2010 hereby invite interested and capable contractors, suppliers, manufacturers based in Nigeria, local representatives of Original Equipment Manufacturers' (OEMs) in Nigeria, vendor groups/associations, trades and supplier associations offering relevant products and services in the Nigerian Oil and Gas industry to a Public Workshop. The workshop is aimed at sensitizing members of the public and stakeholders to the Nigerian Content opportunities in the development of NLNG Train 7.

The Public Workshop also presents a forum for the identification of local supply chain capabilities/potentials for the in-country provision of materials and services to support the construction of the following components/units and associated facilities of the NLNG Train 7 project:

- 1) Complete Train ("CT")
- 2) Common Liquefaction Unit ("CLU")
- 3) New flare system
- 4) Tie-ins to the existing plant
- 5) Third LNG Jetty
- 6) Supporting on-site infrastructure
- 7) Supporting off-site infrastructure

### HIGH LEVEL NIGERIAN CONTENT ("NC") OPPORTUNITIES

The anticipated NC opportunities for the NLNG Train 7 project include (without limitation) the following:

- Fabrication & Construction of non-cryogenic, pressure vessels & heat exchangers;
- Assembly of non-cryogenic valves, pumps and associated facilities;
- Construction of jetty and export/loading and offloading systems for LNG and associated products;
- Pipelines systems fabrication/construction, cable laying, coatings etc.;
- Paints manufacture/supply, electrical cables, foundry materials, sacrificial anodes etc.;
- Civil construction of temporary and permanent structures;
- Materials procurement and supply services;
- Health, Safety and Environment services;
- Process automation and control/information; Systems/Information Technology/Radio & Communication Services;
- Installation, hook-up and commissioning;
- Inspection, testing & certification; and
- Oil & Gas training and certification

### DATES AND VENUE

**Date:** The workshop has been scheduled as follows:

**Day 1: Tuesday 16th October, 2018:**

Nigerian manufacturers, fabricators, assembly/stockists for major rotating and static equipment; OEM representatives for pumps, compressors and other rotating equipment, galvanising and foundry works etc.;

# Expression of Interest

## Day 2: Wednesday 17th October, 2018:

1st batch of services providers for mechanical, civil, electrical, instrumentation, IT, marine etc.

## Day 3: Thursday 18th October, 2018:

2nd batch of Services providers for mechanical, civil, electrical, instrumentation, IT, marine etc.

**Time: 8am to 4.30pm daily**

**Venue: Abuja**

(Participants will be advised of the exact venue in Abuja by email, upon confirmation of attendance).

## MANDATORY REQUIREMENTS FOR PARTICIPATION

To be eligible for participation in the workshop, interested companies are expected to fulfil the following requirements;

- i) Must be registered to conduct business in Nigeria, evidenced by copy of CAC certificate of incorporation;
- ii) Must be registered in NCDMB NOGIC JQS and prequalified in product groups related to the subject scope of work.
- iii) Manufacturers/local OEMs must have visible in-country facilities and/or valid Nigerian Content Equipment Certificates ("NCEC") for relevant equipment manufacturing.
- iv) Must have approval from DPR to operate in the Oil and Gas Industry
- v) Must be confirmed to participate in the workshop via a return email from NLNG. Please note that only confirmed participants will be admitted.

Interested participants are to send an **Expression of Interest ("Eoi")** to participate in the workshop, quoting **"Expression of Interest T7NC"** as e-mail subject to: **Train7NCworkshop@nlng.com** not later than **TWO WEEKS** from the date of this publication.

Any Eoi received after this date will not be considered for participation. Please note that the submission of Eoi does not constitute an automatic registration to participate.

Participants are expected to attach to their expression of interest, copies of documents referred to in subparagraphs i, ii & iii above as applicable.

## ADDITIONAL INFORMATION

### Please note:

- This notice is not an invitation to tender, and does not represent a commitment or obligation, implied or otherwise, for NLNG to issue a tender or enter into a contract with any participant.
- Notwithstanding the submissions of the requested documents, NLNG, its shareholders/affiliates or the NCDMB is neither committed nor obliged to include any company or its associated companies, agents or subcontractors on any invitation list, or to award any formal contract to any company or its associated companies, agents or subcontractors.
- Only companies having the requisite capabilities and capacities should apply. Further details will be communicated to short listed companies.
- NLNG will only deal with authorized representatives of the respondents to this invitation and not through individuals or agents.
- This advertisement for Eoi to participate in the workshop shall not be considered as a commitment on the part of NLNG nor does it entitle respondents to claim any indemnity from NCDMB, NLNG, NLNG's agents, representatives and/or any of its Shareholders by virtue of having responded to this advertisement.
- For the avoidance of doubt, all expenses/costs (including but not limited to travel, lodging, etc.) in connection with their participation in the workshop shall be borne by the participants. NLNG shall not grant any form of compensation or refund in this regard.

*...helping to build a better Nigeria*
