JOB VACANCY

NLNG seeks to engage suitably qualified candidates for employment as **Pharmacist and Consultant Anaesthesiologist**.

NLNG was incorporated as a limited liability company on May 17, 1989, to harness Nigeria's vast natural gas resources and produce Liquefied Natural Gas (LNG) and Natural Gas Liquids (NGLs) for the domestic and export markets. We provide exciting career opportunities and an innovative work environment.

We are an Equal Opportunity Employer and all employment decisions at NLNG are based on business needs, job requirements and individual qualifications after competitive assessment.

Reasonable adjustments will be provided during this recruitment.

A 'reasonable adjustment' is a change that must be made to remove or reduce a disadvantage related to a job applicant's **disability** when applying for a job. Shortlisted candidates who require reasonable adjustments at different stages will have the opportunity to request for relevant consideration.

Details of the jobs and qualification criteria can be found on our job application portal at www.nlng.com
